### LIVE BLUES CLUB EVERY SUNDAY

The Blues, with beginnings  
steeped in mythology, hardship  
and redemption, it's origins  
alone indicate the depth of this  
undying discipline.

Less genre, more religion,  
the far reaching influence of  
the Blues has lit almost every  
ember of modern life. It's power  
to move, sooth, motivate and  
captivate has kept the candles  
burning down here since the  
first dram was dealt.

Of course, its finest form will  
always be that of the live variety,  
every Sunday we summon the  
spirit of the great Bluesmen  
past, present and future at the  
Baxter Blues Club.  
Everybody is welcome.
